REPORT OF FOREIGN MISSIONS.

Baptist Churches have not exactly conceived their mission.

The New Testament makes each believer a center of missions. The forces by which men shall be brought to Jesus are resident in the hearts of believers. Organization, the result of God's grace, is necessary to effective work. Yet men cannot be converted by a committee at some remote Jerusalem. Personal work among the lost by each redeemed soul is the New Testament's way of missions.

After Pentecost the disciples went everywhere preaching the word.

The grace of God works from within outward. Don't rub the leaven on. Don't break the continuity of mission work.

Missions mean love to God and love to man. If you love not man in America, neither do you love man in Asia. The field is the world. Our duty

is to appropriate what has been given. We make progress not to a certain field, but progress within a certain domain.

Expand the forces that are within us. We must be missionaries because Christ has commanded us to go. His spirit in us impels us. We go to find Christ's own—the other sheep. And we have this encouragement: "All that the Father has given me, shall come to me."

Missions are bound to succeed. We shall bring in the sheaves on rejoicing shoulders and sing Harvest Home at last.

W. A. HOBSON, Chairman.

#### REPORT OF HOME MISSIONS.

We are grateful for God's blessings. 5,274 were baptised last year. 11,274 were added to the churches. 368 missionaries were employed. Of this number Alabama has only one. 411 Sunday schools were organized. 155 churches constituted.

The mining towns need missionaries. Cuba has 20 missionaries; 173 recent converts; \$3,000 raised, with an aggregate of 2,261 members.

The Board is turning its attention to work in our Southern cities. We need more devotion to our work and higher ideals before the great blessing shall come.

J. F. HUEY, Chairman.

#### REPORT OF STATE MISSIONS.

*To the Birmingham Baptist Association—Greeting:*

DEAR BRETHREN: Your Committee on State Missions beg leave to make the following report:—

The work of the Board during the past year has been carried on under many difficulties. Our people have been sorely pressed financially, and many of them have not been able to provide a living for themselves and their families. Under these circumstances, as might be expected, the receipts of the Board have fallen short of the usual amount heretofore reported in previous years, and the Board finds itself seriously embarrassed for want of funds. The present time we regard as a crisis in our State Mission Work, and in view of this fact and the fact that the monetary stringency is so widespread and general, it behooves us to be all the more active and earnest and diligent in our efforts to help the Board out of its difficulties.

We beg leave to recommend:

1. That every church in the bounds of our Association take collections at least quarterly for State Missions.
2. That we strive to interest the children in this great work, and to this end educate them through the various Sunday schools in our churches to give to this object.
3. That every member of every church pray earnestly and often for the officers of this Board (especially for our Corresponding Secretary), and that we follow our prayers with our gifts.

Surely there is no more important work engaging the attention of our denomination than the work of State Missions, and we ask the brethren to give these matters earnest and thoughtful consideration.

Respectfully submitted,

S. P. FOWLKES, Chairman.

Adjourned.

2 O'CLOCK P. M.

Report on Education was made special order for 3 o'clock p. m. to-day.

R. N. McKinley, A. J. Wilder and M. K. Vann were appointed Committee to Report on Sunday Schools.

The report on Temperance was read by D. H. Montgomery, and after discussion was adopted.

REPORT ON TEMPERANCE.

The Bible must be our rule of conduct on temperance. First, Self-denial for the good of others. The law of love forbids us to indulge in pleasures that may injure our neighbor. Second, Moderate drinking leads to a harvest of woes to self and others. The proportion of churches to saloons in our midst is woefully small. We must use our influence to protect our young men from the slavery of the saloon. We recommend the churches to appoint a temperance day and a suitable one to oversee this work.

D. H. MONTGOMERY, Chairman.

Report on Education was read by Rev. M. M. Wood and the report on Ministerial Education was read by Rev. P. T. Hale, and both subjects discussed together.

Adjourned.

NIGHT SESSION—7 P. M.

Missionary Sermon preached by Rev. B. F. Giles, from John, 20th chapter and 21st verse: "As my Father sent me even so send I you."

Adjourned.

THURSDAY MORNING—9 O'CLOCK.

The reports on Education and Ministerial Education were further discussed. The central thought of every speech was Howard College and its support. But the Judson was not forgotten. The reports were then adopted.

REPORT ON EDUCATION.

The people are waking up. There are more schools, more scholars, and better taught, for a longer time, than ever before. Our denomination ranks high in the procession of education. Howard College graduated 22 last summer. Dr. McGaha succeeds Dr. Riley—a wise succession. To-day the Howard has 120 pupils. Affiliation is in the air. The Judson is very prosperous. 138 pupils enrolled last year. Nine full graduates. We highly commend the Southern Female University at Lakeview. Our denominational schools should be especially favored.

M. M. WOOD, Chairman.

MINISTERIAL EDUCATION.

Baptists do not put diplomas above the Bible; yet we desire our young preachers to be educated. There is an increasing demand for educated preachers. The day of the wilfully ignorant is past. An educated pew is a great need. There are eleven ministerial students at the Howard. As many more wish to come. Our Board owes the College \$300.

P. T. HALE, Chairman.

On motion the Clerk was directed and authorized to cut down any and all reports, so as to bring the Minutes inside the amount contributed for their publication.

The report on Nominations was read by Rev. Wm. Ashcraft and adopted.

CONDENSED REPORT OF WOMAN'S WORK IN BIRMINGHAM ASSOCIATION.

The Ladies of the Birmingham Baptist Association convened at the Methodist Church at 2:30 p. m. with Mrs. Stratton in the chair. After devotional exercises conducted by Mrs. Harris and Mrs. Purser, the Convention proceeded to business.

Reports were read from the following Societies in the Association, representing the amounts collected during the year:

Mrs. Hamilton addressed the audience on the importance of observing "Children's Missionary Day." Children work easily in harness. Our Baptist people have been afraid to give prominence to the idea of children as church-workers, etc.

Mrs. A. J. Waldrop read a practical and helpful paper. Subject—"Our Young People."

Mrs. I. C. Brown made a pathetic and tender appeal in behalf of the Woman's Hospital of Havana. She made a brief reference to Bro. Diaz, and spoke of the phenomenal success of the Gospel in Cuba. The mammoth building once used as a theatre is now dedicated to God as a church, school-room and hospital. The sum of \$18.50 was pledged to the cause.

Mrs. Stratton in an eloquent address urged her sisters to continue their support of Miss Hastwell; not to economize on their Lord's money, but rather efface self and belong wholly to Him.

Mrs. Nelson, from Miss., was called to the front. See emphasized the value of small offerings, and presented fine prerequisites to successful effective service. Information—A willing heart, faith, prayer and work. Combining these points we may be a power for good.

It was resolved to petition the Association for space on their minutes and a space on the program of the next Association.

Meeting closed with prayer by Mrs. Nelson.

MRS. MONTGOMERY, Secretary.

The report of the Executive Committee was read by A. B. Johnston, and that on Associational Missions was read by J. M. Thomas, and both discussed together.

Adjourned.

THURSDAY—2 P. M.

The report of the Executive Committee was adopted.

REPORT OF EXECUTIVE COMMITTEE.

1. The committee arranged no meetings on missions this year for good reasons.
2. Bro. Whittle's church has been aided during his absence.
3. The churches have made no quarterly reports of amounts paid to the State Board.
4. The Committee has on hand \$14 00. Receipts, \$15 00. \$1 spent for stationery.

Six churches exceeded their apportionment; twelve did nothing. The reports from the churches are in bad shape, and we can't tell accurately how much was contributed to each special mission. We recommend a committee

be appointed to arrange through the secretaries a common financial year for churches, associations and conventions; to ascertain what accounts are kept by the secretaries; to find out what checks exist, if any, and endeavor to have a new form printed for the churches. Mission work in this Association has been neglected. It should not be.

Respectfully,

A. B. JOHNSTON, Chairman.

#### REPORT ON ASSOCIATIONAL MISSIONS.

There is much destitution in our midst. From Birmingham along A. G. S. Railroad to Woodstock no church; Adger has 600 souls and no church; from Pratt City to Marion no church; Compton 1,000 souls, no church, and begging for preaching. Blosburg is trying to build a church. First, Executive Committee recommended to make a map of the Association; second, to take steps to build up the waste places.

Respectfully,

S. M. THOMAS, Chaisman.

The body pledged hearty support to the Executive Committee.

The report of the Committee on Obituaries was read by P. T. Hale and adopted.

#### REPORT OF COMMITTEE ON OBITUARIES.

We beg leave to report: That brethren O. W. Wood of Woodlawn and W. H Pearce of Birmingham are the only members of this body we are called upon to mourn. Our honored brother Wood was born February, 1815, and died March, 1893. During a great part of his long and useful life he was a faithful and generous member of this body. We shall miss our valuable brother, and trust to meet him where those long parted meet again, to part no more. Brother Pearce was a young brother of most exemplary piety and consecration, who was taken away in the midst of his highest usefulness.

P. T. HALE, Chairman.

On motion Rev. — Connell was endorsed by the Association as an applicant for aid from the State Ministerial Board.

The report of the Ministers' and Laymen's meetings was read by A B Johnston and adopted.

#### REPORT OF MINISTERS AND LAYMEN'S MEETINGS.

In the past year only two of the Fifth Sunday meetings have been held by the Ministers and Laymen's Institute.

The meetings at Woodlawn and Trussville were well attended. Very

interesting and instructive, particularly at Woodlawn the discussion of our peculiar doctrinal views was calculated to enlighten not only the members of our own churches, but the community at large with regard to the truth as we believe and teach.

The next meeting, at Salem Church, on Thursday before the fifth Sunday in October will, we hope, be largely attended, and as the subject selected is one of living, vital interest, and will be discussed by all speakers, and as the Brethren at Salem promise ample accommodation and a hearty welcome, we can promise those who come a pleasant and profitable time.

A. B. JOHNSTON, Moderator.

Report on Sunday Schools was read by R. N. McKinley and adopted.

#### SUNDAY SCHOOLS.

Thirty of thirty-seven churches have schools with 1997 pupils enrolled. Twenty-five per cent. of our membership are represented in the schools. We urge more zeal on our members and more promptness to give statistics.

R. N. MCKINLEY, Chairman.

Report of Finance Committee was read by D. D. Jones and adopted.

#### REPORT OF FINANCE COMMITTEE.

Your Committee on Finance beg leave to report as follows:	
We have received from the churches.....	\$131 88
To be applied as follows;	
Minutes.....	\$ 46 65
Home Missions.....	36 33
Foreign Missions.....	15 58
State Missions .....	12 99
Ministerial Education .....	20 33
	\$131 88

For which amount we have the Treasurer's receipt, which is hereto annexed.

We have also prepared a table showing the financial statistics of the Association, as shown by the letters of the churches, and make it a part of this report.

L. J. HALEY, Chairman.

W. A. Hobson, P. T. Hale and J. W. Thomas were appointed a Standing Committee to report on young people's work.

On motion each church of the Association is urgently requested to take a special collection within one month, to be sent to the Executive Committee of the Association for Associational work.
